

## Bringing HR & Payroll Together in a Unified Technology

By bringing the essential functions of Payroll and HR together, iConnect by iSolved simplifies your people management. All critical functions are in one database. No more exporting, importing or clunky integrations. iConnect doesn't stop there. It easily scales to include time tracking, benefits enrollment, applicant tracking and onboarding if and when you need those as well.

iConnect lives in the cloud, so you can access it anywhere at any time. And, it's designed and built from the ground up, based on customer feedback - so you can get payroll done quickly and accurately. **No hassles.**

### Dashboard
